

The Path of Faithfulness

The Bible and Homosexuality | A Brief Guide to Our Congregational Study

Part 1: Getting Ready. In sessions 1-4 we pull together what we'll need for our study--what is the ultimate call of our hearts, the role of humility, and where we must look to know God's will.

Part 2: Learning to Read the Map. In sessions 5-8 we learn the historic principles of understanding and applying the teachings of the Bible.

Part 3: The Climb to Vernal Falls. In sessions 9-12 we practice the principles of understanding and applying Holy Scripture to challenges the church has faced in the past.

Part 4: The Big Climb, Ascending Half Dome. In sessions 13-16 we begin to apply the principles of understanding and applying the Bible to the issue before us: homosexuality and the Christian faith.

Part 5: Back Down in the Valley. In sessions 17-20 we explore what our obedience to the Bible's teachings means as we live the gospel among gays and lesbians, their families and their friends.

As we walk this path, seeking to live in fidelity to Jesus Christ and our tradition, we hold these 7 convictions at the center of our life together. And we trust that this journey will make us stronger and wiser, with deeper convictions and better understanding of what obedience requires of us.

DEFINING THE CENTER/SKETCHING THE BOUNDARIES

1. We love and follow Jesus Christ
 2. We love and follow the Scriptures
 3. We trust the Holy Spirit to work in and among us
 4. We trust that the life of discipleship is difficult, but its path leads us to health and holiness
 5. We trust that through humility and in the midst of our sinfulness God will show us how to live in ways pleasing to Him
 6. We commit ourselves to listen to and respect each other even in our differences of opinion and to strive for the unity of the Holy Spirit
 7. We trust that God will be with His Church now and until Christ returns
